✓ **Congratulations! No issues found.**

Avoid app install interstitials that hide content
Your page does not appear to have any app install interstitials that hide a significant amount of content.
Learn more about the importance of avoiding the use of app install interstitials.

Avoid plugins
Your page does not appear to use plugins, which would prevent content from being usable on many
platforms. Learn more about the importance of avoiding plugins.

Configure the viewport
Your page specifies a viewport matching the device's size, which allows it to render properly on all
devices. Learn more about configuring viewports.

Size content to viewport

The contents of your page fit within the viewport. Learn more about sizing content to the viewport.

Size tap targets appropriately

All of your page's links/buttons are large enough for a user to easily tap on a touchscreen. Learn more about sizing tap targets appropriately.

Use legible font sizes

The text on your page is legible. Learn more about using legible font sizes.

The results are cached for 30s. If you have made changes to your page, please wait for 30s before re-running the test.

Web Performance

Learn more about web performance tools at Google, including browser extensions and APIs for Insights, PageSpeed Service, and our optimization libraries.
